Activities include: games, sports (court and field), crafts, drama, music, kayaking, archery, beach games, swimming, high and low ropes, campfires, and the fan favourite olympics day.

The facilities include a paved multipurpose court, challenge course (climbing wall and zip line), indoor areas for rainy day activities, bunk houses/cabins, flush toilets, and hot showers. The dining hall serves delicious, nutritious meals which take advantage of food fresh from our own garden!

Where: Malpeque, Prince Edward Island When: Session 1: July 17 - 23 Session 2: July 24 - 30 Session 3 (Leadership): Aug 3 - 13 Session 4: Aug. 7 - 13 Session 5: Aug. 14 – 20

Why: To provide children coping with illness and disability in their family an opportunity to have a week away full of fun. A chance to connect with other similar children. To try new things, building confidence, self-esteem, new skills, and developing positive coping strategies.

Cost: FREE Why is it important?

Illness of one family member significantly affects the entire family, especially the children. We're helping children learn how to deal with, and overcome adversity, conflicting emotions and anxiety, while nurturing resiliency and maturity. With their unique experience, outlook on life, and with the help of our camp programs, these children can grow into the leaders of tomorrow. Many are well on their way. Kids are observers. Parents may not realize exactly the effect these situations are having on them. The children we serve are vulnerable and those with significant feelings of isolation, anxiety, and stress. We help to focus these difficult experiences in a positive light
